

# Carson Community Association

## **General Meeting Minutes**

Date and time: November 14, 2021, 3.30 pm

Venue: Carson Fire Station

The CCA organized a Thanksgiving Feast for the Carson community on November 14, 2021, at the Carson Fire Station, starting at 2 pm. About 62 people attended the feast, half of them from the CCA membership area and half from adjoining areas (Carson Estates and Three Peaks). As the feast drew to a close, CCA President Art Wilbur called attendees to attention for an informal CCA general meeting. He gave a short report on actions taken in relation to the road improvement campaigns and new community center, and took questions from the floor. He then invited the CCA Treasurer and the CCA Secretary to give very brief reports on their areas of activity. The feast and meeting closed at 4.30 pm.
