## Carson Firewise Evacuation Plan

A wildfire evacuation plan in our community begins by knowing where everyone in the community can be found and how we can reach you remotely by text, phone, or email. We'll need to warn you of the need for evacuation, establish evacuation routes, provide transport as needed, and identify safe shelter-in-places sites. For this we need your help.

3. Your mailing address
4. How many people in your household
5. Your text number (preferred)
6. Your landline number if you have one

9. Do you have livestock or other animals that will require special action?
10. Do you need help with transportation? Y or N (circle one)
11. Does the CVFD need a key or code to enter your property? Y or N (circle one)
